# TOWN, PUB & KITCHEN MAIN MENU AUTUMN 2016

Data correct as of: 13 February 2017

Stonegate Pub Company Ltd works to ensure that the ingredient information on the website is accurate. Allergy data detailed in the table has been derived from specifications obtained from the suppliers of the products. Due to the nature of our food operation, we cannot fully guarantee that any food will be completely free from these allergens. Product specifications and recipes may change periodically. The data provided is based on the standard garnishes and accompaniments included on the menu. We recommend that you check with us for up-to-date product information before placing your food or drink order.

While we have taken all reasonable steps to ensure that this table is accurate, we cannot guarantee that the product is 100% free from the unintentional presence of allergens arising as a result of cross-contamination. Our kitchens do use allergens, such as nuts, eggs, shellfish, milk and gluten containing products, so it is not possible to entirely guarantee the separation of these items in storage, preparation or cooking. Please inform staff of any food allergies prior to placing your order, even if you have eaten the dish previously, so that every precaution can be taken in the kitchen to prevent cross-contamination.'

'Gluten containing ingredients are deep fried using the same fryers as dishes not containing these ingredients, so whilst there may be minimal risk of cross contamination we cannot guarantee the absence of wheat or gluten, which may affect extremely sensitive sufferers'.

**Please note not all menu items displayed on this website are available at all of our sites. Please check with the site when you visit before ordering.**
