

## PIZZA BASES AND TOPPINGS - INGREDIENTS AND ALLERGENS

Some Ice Creams contain nuts. We do not use nuts in our pizzas, desserts or side orders, however some ingredients are produced in factories that handle nuts.

Allergens are highlighted in **bold** and also marked with an "x" in the "contains" in the boxes to the right. An "x" in the box indicates that the product contains an allergen or a product of an allergen as an ingredient or processing aid. If you have a Food Allergy or Intolerance: Before you order your food please always speak to our staff. Our stores are busy working environments and there is a risk of cross-contamination between toppings.
